

Clinical Pharmacist

Priory Medical Centre, Cornlands Road, Acomb, YO24 3WX

Do you want to work within flexible clinics, with the opportunity to work remotely from home?

Are you an independent prescriber that wants to use your skills to enhance safer prescribing in primary care?

Do you want to feel like you are working at a small practice with the background support of a larger practice?

Do you want to develop your skills in chronic disease management?

Do you want to work alongside a highly skilled multidisciplinary clinical team running clinics to support patients with long term conditions?

Main duties of the job

Undertake clinical medication reviews with patients within the practice, care homes and/or domiciliary visit to produce recommendations for senior clinical pharmacist, nurses and/or GP on prescribing and monitoring.

Review the on-going need for each medicine, a review of monitoring needs and an opportunity to support patients with their medicines taking ensuring they get the best use of their medicines (i.e. medicines optimisation). Make appropriate recommendations to Senior Pharmacists or GPs for medicine improvement.

Managing caseload of patients with common/minor/self-limiting ailments while working within a scope of practice and limits of competence.

Signposting to community pharmacy and referring to GPs or other healthcare professionals where appropriate

Provide patient facing clinics and a telephone helpline for those with questions, queries and concerns about their medicines in the practice

Providing follow up for patients to monitor the effect of any changes

Set up and manage systems to ensure continuity of medicines supply to high-risk groups of patients (e.g. those with medicine compliance aids or those in care homes).

Ensure that patients are referred to the appropriate healthcare professional for the appropriate level of care within an appropriate period of time e.g. pathology results, common/minor ailments, acute conditions, long term condition reviews etc.

Manage the repeat prescribing reauthorisation process by reviewing patient requests for repeat prescriptions and reviewing medicines reaching review dates and flagging up those needing a review.

To provide specialist knowledge on all public health programmes available to the general public.

Person specification

Please refer to person specification as listed on the original job advertisement (NHS jobs website).

Salary: Dependent upon experience.

Working Hours: Permanent contract, full time.

Disclosure and Barring Service Check: This post is subject to the Rehabilitation of Offenders Act (Exceptions Order) 1975 and as such it will be necessary for a submission for Disclosure to be made to the Disclosure and Barring Service (formerly known as CRB) to check for any previous criminal convictions.
