

GP – Community Based

Priory Medical Centre, Cornlands Road, Acomb, York, YO24 3WX

Are you a GP (2 years+ CCT) with experience of elderly care and palliative care and interested in providing support for patients in Care Homes/frail patients in the Community?

We believe that the most vulnerable and frail patients at home and in care homes deserve the best care we can offer. We are therefore looking for a GP with a passion for elderly/palliative care to help our talented teams support these patients.

Main duties of the job

Provide clinical leadership to the complex care nursing team delivering services to residential care homes.

Provide medical assessment and management where needed, or in conjunction with, other team members to deliver the care home visiting service such as urgency and type of response needed according to clinical need

Arrange and chair regular debrief sessions / team meetings to manage patient case load, advising on complex clinical situations

Promoting continuous improvement by leading and delivering responsive, safe, patient-centered and effective care and support to elderly, frail and palliative care patients.

Supporting frailty projects in the community for Priory Medical Group patients

Running our PCN MDTs for frail patients in the Community and Care Home patients
