

Mental Health Practitioner

Priory Medical Centre, Cornlands Road, Acomb, York, YO24 3WX

Are you a registered RMN with experience of working with adults in a mental health setting?

Do you want to work within flexible clinics, providing both urgent and routine appointments?

Do you want the ability to independently manage your patients with the opportunity to follow up and provide continuity of care with your own caseload?

Do you want to feel like you are working at a small practice with the background support of a larger practice?

Do you want to work alongside a highly skilled multidisciplinary clinical team?

Main duties of the job

The role of a first contact mental health practitioner is varied and rewarding.

You will be able to independently manage patients with a range of mental health symptoms and assess risk effectively.

You will be able to make shared management plans with your patients, discussing a range of treatment options and sign posting to other local services.

Person specification

Please refer to person specification as listed on the original job advertisement (NHS jobs website).

Salary: Dependent on experience

Working Hours: Permanent contract, full time and part time roles available
