

## RCGP Safeguarding - Case Review

The RCGP Safeguarding Standards, published in 2024, sets out the safeguarding knowledge and capabilities as well as safeguarding training requirements for anyone working in a general practice setting in the UK and/or working as a GP in any setting.

A Case Review is required to be completed each year by all GPs/ Clinicians.

Over a 5yr appraisal cycle, a case review in each of the 5 Safeguarding Domains should be completed.
